

# **Brampton College Student External Access**

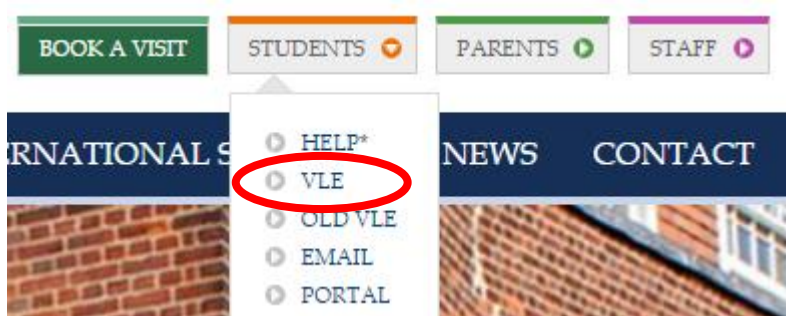

This document describes the following:

- 1) Access to VLE**
- 2) Office 365**
- 3) Access to College email**
- 4) Access to Portal**

If you experience any difficulties with external access please email [support@bramptoncollege.com](mailto:support@bramptoncollege.com).

## 1) College VLE

Using your web browser find your way to the college website – [www.bramptoncollege.com](http://www.bramptoncollege.com) and click on STUDENTS - VLE

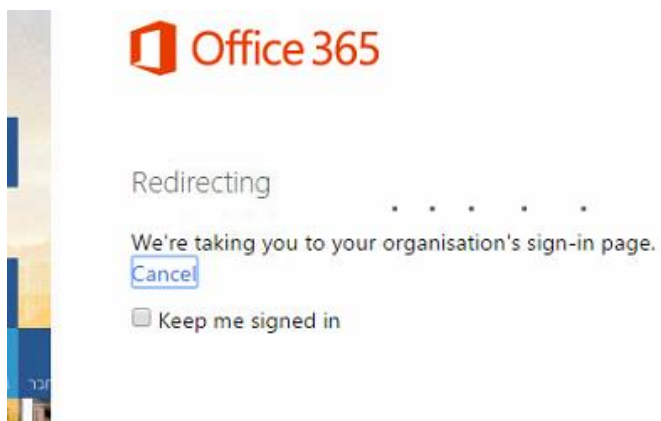

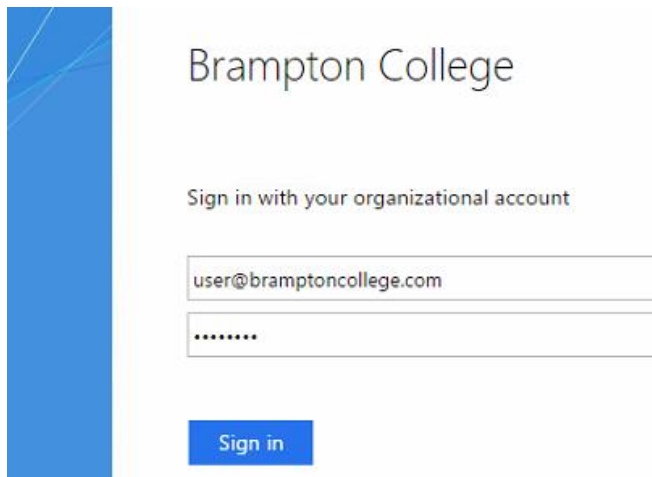

Alternatively, go directly to page <https://login.microsoftonline.com/>

At the following prompt, type your College **email address** as the username:

Once you click into the password field, you will be redirected to Brampton College sign-in page, where you will type your password:

Type in your **password** as the password and click **Sign in**.

You have successfully signed into Office 365. (The portal may become unresponsive when you log on for the first time. In such case, please close your browser and log on again after five minutes).

To access the VLE, you will need to click on the “Sites” tile

Then click on the “Brampton VLE” tile:

You are now in the VLE section of Office 365 suite – navigate through to your chosen area or department.
