Excludes small tutorial colleges with less than 40 students.							
The total point score achieved by students in all academic qualifications is divided by those students' total number of academic entries. An A is worth 60, A 50, B 40, C 30 and D 20.							
**These figures tell you how much progress students who studied A levels at this school or college made between the end of key stage 4 and the end of their A level studies, compared to similar students across England.
