Brampton College Parent External Access

The Portal can be accessed from any browser running on any device. Please, also note that some companies block access to our Portal, thus accessing it from your home is recommended.

Using the web browser find your way to the college website – www.bramptoncollege.com.
Click on the PARENTS button at the top of the home page. You will see the link to the PORTAL.

Clicking on it will open a dialog box asking you for the username and password as shown below:

Please type in the username and password you have received in a letter at the beginning of the autumn term.

Click Sign in
You are now logged in to Portal.

Every term we will publish 2-3 reports for you to track the academic progress of your child. This will be announced by an email so please make sure we have your correct contact details.

If you experience any difficulties with access to Portal please email support@bramptoncollege.com or call the college on 0206 203 5025 and ask for the IT department.

Thank you
