

RESULTS DAY 15 AUGUST 2019

ADJUSTMENT & CLEARING

Results day

1. Brampton College opens at 8am on Thursday 15th August
2. University CLEARING HOTLINES open at 8am

FIRST COME FIRST SERVE. The more prepared you are, the more likely it is you will pick up the best places in clearing. Some of these may be Russell Group and other top universities.

From 5th July when clearing opens, you will be able to see which degree courses are still available. Make a list of courses that you think could be a good alternative with relevant admissions tel. numbers & email addresses.

Adjustment

For those whose grades have exceeded the CF choice

If this applies to you, you can find a place on a more competitive course. For example, if your results are just one grade higher than your CF entry requirements. e.g up to AAA from AAB

Procedure:

1. Students must keep hold of their CF choice before securing an alternative
2. In TRACK you select 'I am considering Adjustment' (you will not lose your CF by doing this)
3. Get verbal/written confirmation of a place on another course
4. The period within which students can do this is restricted to 5 x 24 hour periods including weekends (Usually 20th August latest)
5. University will add the new choice for you into UCAS

Clearing

For those who have not secured their place at university

Procedure on results day

1. Have your UCAS ID number to hand
2. Have university admissions/clearing hotline telephone numbers to hand
3. From 5 July 2019 you will be able to check **ucas.com** for degree courses that have spaces in clearing
4. On results day The Daily Telegraph prints a list of courses in clearing
5. On results day, make sure you get verbal confirmation from universities of clearing place
6. **You** then update this in TRACK after 3pm on 15th August

IMPORTANT NOTICE: DO NOT BE TEMPTED TO RELEASE YOURSELF INTO CLEARING

Some universities like to ensure that their courses fill up, and they may contact you to persuade you to take up an unconditional place on one of their courses in clearing. We strongly advice that you DO NOT do this. It is far better to research your options carefully with your parents /teacher / careers adviser before accepting a place that you are not sure about.

Brampton College will be open on results day from 8am. Both of our careers advisers will be available for support
